

**Zip Water**  
2020 residential product bulletin

In response to feedback from the residential market, we've streamlined our product range to ensure specification of our world leading HydroTaps is as simple as possible. This change will allow us to continue focusing on delivering the best in filtration, functionality, performance and reliability, with HydroTaps now only available in our most popular finishes.

As of 1st January 2020, the residential Zip Water range will be as follows:
